

Dear Friend,

It was great to have you with us at Grace today! We hope you found Grace to be a welcoming and relevant place where you can encounter God and have a meaningful worship experience. We aspire to be a church where God and His Word are honored and where you can be yourself, meet others who are on a similar journey and mature in your faith in Jesus.

A key component of Grace is our network of Discovery groups in the RDU area where people like yourself can discover God and His will on a more personal level. You can find one close to you by going to our website: raleighgrace.org, click Connect, and then Discovery Groups.

Our staff meets regularly to pray for members and guests and to evaluate our gatherings so that we can make the experience better for everyone who attends Grace. You can also find on our website how to:

- submit prayer requests for you, your family and friends (click on the front page square ad for "First Time Guest" and then on the Prayer Request link)
- submit the "first time guest" survey (also on the "First Time Guest" page)

We look forward to seeing you again, and please join us at one of our Fellowship Fridays! (See our website for details.)

Pastors of Grace,
Berk Wilson, Ed Russ, Daryn Williams, & Keegan Rice
